Wetlands, streams, rivers, and lakes are shown on the Town of Chilton's Zoning Map. Land use in or near these areas are or may be regulated by the Calumet County Zoning Ordinance. Landowners that are considering applying for a Zoning Permit should consult the Zoning Map to make an initial determination as to whether or not there are wetlands, streams, rivers, and/or lakes on or near their property. Landowners are cautioned that the mapping of these features is general in nature, and that a conclusive determination can only be made through an on-site visit by Calumet County and/or Wisconsin Department of Natural Resources staff.

The basemap data was created by the Calumet County Land Information Office and is intended to be used for reference only. Calumet County assumes no liability for the accuracy of this map or its use.
